PROGRAMME OVERVIEW

The Postgraduate Certificate in Financial Administration has been designed to provide managers and business professionals with both the theoretical background and the analytical tools required to make effective, value creating business decisions. As businesses strive to succeed in this competitive global environment, the core fundamental principles of finance and their applications become of greater value and higher importance.

REQUIRED COURSES:

COURSE CODE	COURSE TITLE
MBA 422	Financial Institutions and Markets
MBA 432	Accounting For Decision Making
MBA 436	Finance

**Detailed course descriptions are available on USP's handbook & calendar and on our website. You can also visit Graduate School of Business based at Statham Campus, Suva, Fiji.*

Mr. Pretesh Prasad

*Business Development Manager & Company Secretary
South Pacific Stock Exchange (SPX)*

The Post Graduate Certificate in Financial Administration programme has undoubtedly been beneficial for me. This program extended my perception on the power of business analytics and is the perfect solution for professionals looking to develop their business skills and advance their career to the next stage. The program flexibility allowing for part-time studies with evening classes is an encouragement for many working professionals to uptake enrolment and enhance their qualifications, professional abilities and education experience.
